STRENGTHS

Time management
Prioritizes essential tasks so they are not rushed. Sets deadlines that ensure reaching milestones on time.

Adaptability
I remember that change is not personal and is inevitable. I break my projects into multiple parts(a necessary skill in django) so that if something goes wrong, I can quickly fix it.

Problem Solving
Surfing the net and finding new methods to solve the problems, is my favorite skill to do, it gives me a sense of intelligent when i tackle a new error
